

We are pleased to inform you that SABN will present the second annual “Premier Alpaca Halter & Fleece Show”, that will take place on November 25th & 26^h, 2019, at the Canadian Western Agribition in the Canada Center Area. Our judge this year is Robin Nasemann from Germany. Last year show was a huge success!

As a sponsor to The Premier Alpaca Event you will get to showcase your farm to so many visitors that come to Agribition from all over the world. We have two options for you to pick from - the show ring sponsor or an event sponsor.

To become a sponsor you will need to send the sponsorship money directly to SABN. If you pick show ring sponsor, we will need your banner and 500 business cards. These can be given to any SABN Board Member at the Camrose Alpaca show or mailed to Carol by Oct 30.

Thank you so much for your consideration and we look forward to hearing from you.
